An “Eggcellent” Time . . .

Mother Nature smiled and said “Yes” to sunshine for the **Annual Easter Egg Hunt** at **Castro Field Park** on March 28. How glorious to emerge from the fortress of our homes for our first social activity of the year and reconnect with neighbors, friends, and, of course, the **Easter Bunny**. The hunt was once again sponsored by your Neighbor, **Jim Walsh**, of **RE/MAX Gold Real Estate** and the **SVNA**.

More than 100 kids and about 50 adults searched for nearly a thousand eggs hidden in the grasses, trees and bushes of Castro Park. Post-hunt, the eggcellent time continued with a Jumpy House, face painting, and a jellybean guessing game along with donuts and coffee.

We couldn't have pulled this off without the help of our community volunteers. A GIANT thank you to **Jim Walsh** for sponsoring this event and to **Jesse Norman** who comes back year after year to be our Easter

Bunny — and what a great Easter Bunny he is!! We're also immensely grateful to our other volunteers, including **Betty Rappaport, Denise Dugan, Heidi & Jim Paizis, Isabel Danel, Jane Brand, Victoria Robinson, Lori Owen, Shelley Cooper, Bonnie Monte, Caitlyn Barber, Nicki DiSilva, Kari Pendoley, Ellen McKenna, Patty Carrillo, Tonya Murphy-Toft, Dinah McClure, Shirin Zehtabfard, Roberta Adams, Janeko Bower, Missey Jaquysh, Linda Danielson, and Jon, Roge, & Jake Alexander**. I am sorry if I have forgotten anyone. Thanks as well to our **Easter Bunny Assistants** and **Photographer**, and everyone

who pitched in stuffing and hiding eggs, setting up, cleaning up, serving food, and helping with crafts and the jumpy house.

Finally, a huge thank you to our beautiful neighborhood families who came together to make memories, get to know each other, and build our community into a place of joy and belonging.
